**OVA RULE CHANGE ALLOWS FOR PLAYING DOWN.**

Over-aged Player exemption

- A maximum of two (2) athletes per team born between September 1 and December 31 are permitted to ‘play down’ one age category. For example, two (2) athletes born between September 1, 1998 and December 31, 1998 (who are 17U aged) may participate on a 16U team during the indoor season.
- ♣ Players who are playing down an age category can only be registered and listed on one team’s roster for the entire year. They are not permitted to move up an age category as an individual. However, they can play up an age category if they are playing on the same team they are registered with.
- ♣ This applies to all players with the exception of 19U athletes. The intent of this regulation is to ensure that all athletes have a place to play and are playing at the appropriate skill level
